Call	Capacity building in the field of higher education (ERASMUS-EDU-2022-CBHE)	
Link	https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-details/erasmus-edu-2022-cbhe-strand-1	
Beneficiaries	<p>For Strands 1 and 2: HEIs, associations or organisations of HEIs, established in an EU Member state or third country associated to the Erasmus+ programme, or in an eligible third country not associated to the Erasmus + programme. The applicant institution applies on behalf of all participating organisations involved in the proposal.</p> <p>In addition for Strand 3: Legally recognised national or international rector, teacher or student organisations established in an EU Member state or third country associated to the Erasmus+ programme or in an eligible third country not associated to the Erasmus + programme.</p>	
Budget	EUR 104.055.300	
Topic description	<p>The Capacity Building in Higher Education (CBHE) action supports international cooperation projects based on multilateral partnerships between organisations active in the field of higher education. It supports the relevance, quality, modernisation and responsiveness of higher education in third countries not associated to the Erasmus+ programme for socio-economic recovery, growth and prosperity and reacting to recent trends, in particular economic globalisation but also the recent decline in human development, fragility, and rising social, economic and environmental inequalities exacerbated by the COVID-19 pandemic.</p> <p>The activities and outcomes of CBHE projects must be geared to benefit the eligible third countries not associated to the programme, their higher education institutions (HEI) and systems.</p>	
Scope	<p>Projects should establish partnerships to develop cooperation ideas as well as to facilitate transfer of know-how, experience and good practices, fostering access to capacity building opportunities and improving social inclusion and the access of students/staff with fewer opportunities to a qualitative higher education offer. In particular, these projects will particularly focus on:</p> <p>HEIs from least developed countries not associated to the Erasmus+ programme.</p> <p>HEIs located in remote regions/areas of third countries not associated to Erasmus+ programme.</p> <p>Newcomers or less experienced HEIs and Faculties from third countries not associated to the programme.</p> <p>Involvement of students and staff with fewer opportunities.</p>
