## • OUR RESERVATION PROCESS IN A FEW EASY STEPS

**1 Fill in the online application form and click the 'submit' button.**  
You will find it on our website: [www.nebrija.com/residencias](http://www.nebrija.com/residencias)  
You will receive an email to the email address you have indicated in the form with instructions on how to generate your password and access the Admissions/Reservations Portal..

**2 After logging in to the Admissions/Reservations Portal and create your password, you will be prompted:**

- Attach your academic transcript for the last two academic years.
- Include a recent photograph.
- Fill in the personal questionnaire.
- Choose a date and time for the personal online interview.

**3 Pre-register.**  
Once you have submitted the documentation and completed the online interview, when the management will inform you if you have passed the admission process, you must make the pre-registration payment in order to be on the list of candidates for vacant places.

**4 Finalize the reservation.**  
At the end of April, you will be informed in writing of the assignment of a place, assigned in order of the payment date of the pre-registration, along with the instructions for the final formalization of the reservation by paying the amount equivalent to one month, and sending the requested documentation.

If you start your admission process in May, and we still have places available, once admitted, you must make the reservation by paying, in a single payment, the pre-registration and the amount equivalent to a monthly payment.

**Note:** The amount of the pre-registration and the monthly fee will only be reimbursed to those candidates who have not obtained any of the places requested in Nebrija Residences, or who have not been formally admitted to any study center in the Community of Madrid, with prior written justification of said circumstance.
